LEVEL 6 TOTAL TEAM SCORE: 249.40

I was very glad that we were finally able to go to this meet.

LEVEL 6 TEAM PLACE: 9th

It normally conflicts with Friendship. There was very tough competition from all over the state & region.

While I know that this meet comes not when our boys are peaking in a cycle, and I know we did not have a full team competing...I still was disappointed in the overall team's performance. Each boy did have his own ups and downs...with some great moments. I always tell the boys I don't mind if we get 10th, 20th, or even 30th place as a team if each of you has your best mental and physical performances while showing great team spirit. Well, this clearly did not happen as they are capable of doing. Focus was lacking on several occasions. Based on how close the team results were for 3rd-10th (being 3 points apart) of 18 teams...we easily could have received 3rd or 4th against these teams even with all of our boys being rookies except one. The boys have a lot of focusing to do to step it up for the future meets. I will be conferencing with them & meeting with coaches.

Level 7 info below with Level 8.

LEVEL 7 TOTAL TEAM SCORE: 253.00

LEVEL 8:

LEVEL 7 TEAM PLACE: 5th

#:	GYMNAST NAME:	AG:	FX:	pl	PH:	pl	SR:	pl	V:	pl	PB:	pl	HB:	pl	AA:	pl	RANK
4	Chandler Governator	12-13	12.10	6	10.50	5	11.00	5T	12.70	5	11.40	5	11.00	2T	68.70	3	1

The Level 7s got to experience what the Olympic Team Finals are like having only 3 boys competing on each event with each score counting (having no back ups) and leaving no room for error. They did fairly well with the tough competition and different judging there than they are used to. Drew Huck had some challenges, but will likely bounce back next time. Cole had one fall, but the rest was great. Christopher had his best meet of the season hitting 6 for 6 and really helping out since Drew Sikora was unable to compete. Chandler improved from Friendship, and he is on a mission to get to the challenging "70.00" all-around that he is so close to.

LEVEL 9:

#:	GYMNAST NAME:	AG:	FX:	pl	PH:	pl	SR:	pl	V:	pl	PB:	pl	HB:	pl	AA:	pl	RANK
1	Cameron Lake	12-13	12.30	9	10.90	10T	10.60	17	13.10	8T	12.10	12T	10.60	11	69.60	10	1

Cameron had an incredible meet!! He had no falls on any routines and performed and made all of his difficult skills. The only reason he can't say that he hit 6 for 6 is due to an extra swing he had in his p-bar routine that enabled him to save a skill. The scores went down from before, but they don't reflect performance drops since the judging was different. I was pleased with the judging since it was tougher and some of the judges were on different events than we normally see them on. He placed 10th against several Regional & National Champions!!
