LEVEL 4 TOTAL TEAM SCORE: 246.20

LEVEL 4 TEAM PLACE: 4th

The Level 4 boys showed a lot of improvement at this meet from their last meet.

They were more focused and dedicated. They showed several bonus skills.

It was great receiving 4th place team since we only had 3 boys & were competing against several teams and all of the age-groups. Great job boys!!!

(Note: Garrett's HB score may have been 13.9, which would have been 8th place. No affect on AA or medals).

LEVEL 5 TEAM PLACE: 4th

The Level 5s had a great meet with a few ups and downs, but it was excellent how well they supported and cheered for each other, which ultimately helped the team!

The team score went up again. This was the last time the boys will be a combined team with all age-groups for the season. I was very proud of the boys! Great job!!

The Level 4s & 5s have a month before their state meet - the last & most important meet.

Please have your son at gym as much as possible so that we can help them peak by then.

I will contact you if I feel a private lesson or two is needed, before then. Thanks!! Go EWA!!!
