LEVEL 6 (8-9) TOTAL TEAM SCORE: 242.70 pl 5th

The Level 6 (8-9s) had very tough competition at this meet. 65 boys in their age-group from 6 states!
 Nick hit 6 for 6 again, and Carter and Landon did very well on several events with some falls here and there.
 5th at Regionals is awesome!! Carter & Landon will repeat Level 6 next year, and Nick is moving to Austin in June.

LEVEL 6s: (10-11, & 12-13s) - No team for these boys since not having 3+ in an age-group.

Karcen & Brian (see pic above) did quite well with few errors ending their season strong. 45 in their age-group.
 The scores/placements shaded in gray above reflect a few fixes I made since they had Karcen's Rings score wrong.
 Karcen will repeat Level 6, and Brian will be allowed to move up to Level 8 next year.
 Bradley hit 6 for 6 and Kade did great too! There were 96 in their age-group. Both will be Level 6 next year.

LEVEL 7s (10-11, 12-13) - No team for these boys since not having 3+ in an age-group.

LEVEL 7 TOTAL TEAM SCORE: 249.00 pl N/A

The Level 7s did incredibly well!!! Many season high performances/scores/placements!! For the 10-11s there were 68 in their age-group. Drew Huck hit 6 for 6, and Drew Sikora did great after recovering from broken toes.
 Cole was outstanding and had the meet of his life having only one fall on PH. He had 23 in his age-group.
 Cole is the Regional Champ on PB & HB and tied for 1st on VT! (FYI: Had he been 10-11 he'd have been .1 away from Regional Team).
 He was .4 from being the 12-13 Regional All-Around Champ. Drew Sikora will be Level 7. Drew Huck & Cole will move to Level 9 next year.

LEVEL 8 & 9: - Different sessions. (Remember that only 12-13 Level 9s & 14-15 + 16-18 Level 10s may qualify to Nationals).

Chandler did great having only trouble on PH with his wrists. He had 23 in his age-group.
 Cameron also did very well, but had falls and other mistakes on PH that he usually doesn't have. He had 70 in his age-group...with the top 52 qualifying to Nationals, which he made (though it was close).
 Chandler will move up to Level 9 and Cameron will repeat Level 9 next year.

LEVEL 10s: - 14-15s & 16-18s in different sessions, but combined for team score.

LEVEL 10 TOTAL TEAM SCORE: 227.85 pl 11th

Evan had the best meet of his season - peaking at the perfect time! He had season highs on PH & PB!
 He only had a slight mistake on VT and a few errors + a fall on HB. He was only 1.4 away from being on the Regional team (top 7 boys). His age-group had 39. He easily qualified to Nationals since they took the top 23. Logan also had the meet of his life!! He hit 6 for 6 and had season high scores on FX, PH, PB, & HB! He had 52 in his age-group and easily made it to Nationals since they took 27 boys. Justin had some problems here and there (being not as solid as he was at state), but since one guy dropped out, & he was next in line,...he barely made it to Nationals!
