The Level 6s had a good meet going against some tough competition! It was unique that they separated out the team by age-groups for the Level 6s, and it showed that our 8-9s were able to do quite well getting 2nd place team! All of the boys showed some skills at times. We will be working hard to prepare for Kansas City in a couple weeks!! :)

The Level 7s had ups and downs again like the week before, but this time their ups were better and downs were not as many. They had a tough warm up having 3 levels of boys in one group (L6, L7, & one L4) with 12 boys and only 10 minutes per event to warm up. Our planning and preparation paid off as they were able to set up equipment fast and get their turns in. They improved by over 11 points from last week & tied for 3rd place team - wow!! Let's keep improving boys!!!

LEVEL 8:

#:	GYMNAST NAME:	AG:	FX:	pl	PH:	pl	SR:	pl	V:	pl	PB:	pl	HB:	pl	AA:	pl	RANK
1	Chandler Governator	12-13	11.50	5	9.50	3	9.60	5	11.40	7	10.50	4	10.20	4	62.70	4	1

Chan had a very fun meet. He was with the L9s and 10s (which we didn't bring those levels to this meet). The warm up was an open one where we could go to any event for any length of time for over an hour. Then, we still got a one touch on each event before competing. The boys in our squad were very friendly, supportive, and energetic. Besides the great cheering that the boys were all doing for each other and bonding,...the other high point from the meet was when Chan competed his high bar routine and hit each skill, without adding anything in, leaving anything out, or having any falls. He did this with grips he just broke in. He had not done a full routine in weeks!! Wow!!
